Patients who have not had an appointment in 2+ years will need to book a New Patient Consultation appointment. An appointment is required for supplement renewal and lab reviews. Please use our [online booking form](#) to schedule your appointment.

Thyroid support will only be available for refill for active patients. Labs are required until numbers are stable (every 12-16 weeks), then at least once every 12 months.

Raye Naturopathic is committed to maintaining the highest level of medical care possible. We truly appreciate your support. Please let us know if you have any questions about these adjustments.

It is a privilege to be on this journey with you.

Sincerely,

[Ivory Raye.ND](#)
